Sir,

With reference to my No.589 (confidential) dated 13th May 1901 making certain proposals to the Government regarding the College teaching, I much regret that no orders have been passed with reference to the same and I beg to point out the condition in which I am now placed with regard to the teaching of the College.

I have had, in accordance with my original promise to Mr. Venkatesha Char, to allow him leave from the beginning of this month for the Mysore Civil Service Examination and I have had to undertake personally one half of his teaching viz., the Physics of the Senior B.A.class in addition to the English teaching which Mr.Tait would have been doing had he been here. Thus, though I have the whole conduct of the College on my shoulders, I shall have, with this arrangement, no less than 22 hours actual teaching during the week, an amount altogether excessive and more than any one in my position should have. Indeed in England one in my position would have not more than an hour's actual teaching per day, if so much as that.

The other half of Mr.Venkatesha Char's work viz., the Physics-teaching of the Junior B.A.class I have entrusted to Mr.B. Venkatanarnappa B A., the Physical Science Assistant, who has, in addition all the Physics-teaching of the three High School classes and the Physiology-teaching of the two F.A.classes, besides assisting in the Practical Chemistry Laboratory. As Mr. Venkatesha Char will have no pay during the time of his absence on Examination Leave I would propose that Mr Venkatanarnappa's allowance be increased from Rs50/- to Rs75/- during the present

In confirmation of para 3 of letter No 589 dated 13th May 1901, referred to above, I beg to point out that Mr Leonard was yesterday unable to do more than one hour's work on account of an attack of ague and that he is again absent today from the same cause. With the reduced Staff now at my command I am unable to make any provision for the classes which he should have; a highly unsatisfactory atate of matters.

In such circumstances I am minus three of the usual College Staff, Mr. Raghunatha Rau on Sick Leave, Mr J G. Tait on Furlough, and Mr C.M Leonard on Casual Leave. The result of all such irregularities cannot fail to be disastrous to the College.

I have the honor to be,
Sir,
Your most obedient servant,

Principal.
